

ANNEX B - EXAMPLE OFFER FOR FLIGHT SEARCH

MANAGEMENT SERVICES

Please prepare and send us at **least three options** for requested destinations with offered prices.

The following rules shall be applied when preparing the offers (UNHCR internal traveling rules):

- *The normal route for all travel shall be the most economical route available.*
- *The class immediately below first class (business class cabin, where available), shall be provided for travel on when a single leg journey is nine hours or longer and for multi-leg journeys if the combined travel time of the journey is 11 hours or more. The travel time shall be calculated with a maximum of 2 hours transfer time, even if the actual transfer is more than 2 hours. If the transfer is less than 2 hours, actual transfer time shall be used for calculation.*
- *Conditions shall be changeable, refundable option is not mandatory*
- *The concept of round trip is not necessarily considered; each leg (Single or Multiple) must be considered individually. The provision of most economical option shall be preferred over round trip tickets. If two or more single leg journey tickets are more economical, then they should be combined (only if the journeys are independent i.e. different dates, not connecting)*
- *Low cost carrier options shall be considered when providing options.*
- *Please specify also the booking classes for each flight in your offers.*
